

## Tree Stake PRO & Tree Stake Kit

Tree Planting is an expensive project and should be undertaken with care. Master Gardner's Tree Stake products have been designed by professionals and will provide years of life protecting a valuable asset in your landscape design.

Tree Stake Kits help establish upright growth protecting the tree from root damage caused by wind and accidents. The system is quick and easy to install and reusable.

### Tree Stake PRO

- 12" stake
- 1/4 twine
- 1/2" sleeves

### Tree Stake Kit

- 6" stake
- 1/8 twine
